

# Student Exchange Project “The challenges of Social Inclusion in European Perspective: Case Studies of Germany and Bosnia-Herzegovina“

Call for students<sup>1</sup>

**Workshop I in Erfurt** May 19<sup>th</sup> till 24<sup>th</sup> 2025 (arrival/departure on Sunday)

**Workshop II in Sarajevo** June 9<sup>th</sup> till 14<sup>th</sup> 2025 (arrival/departure on Sunday)

The project will give social work students from BiH and Germany the opportunity to do research on the topic of social inclusion in the respective countries and at the same time work together with the civil society and learn how to produce podcasts to share information with a wider public. Through the active involvement of Radio F.R.E.I the students will not only learn from a social work perspective but get a much wider perspective on the role of civil society. During the exchange participants will learn about active citizenship, the importance of independent media and citizen journalism.

Working language is English. Participants must take part in both workshops.

The project is fully funded by DAAD.
